

# East Pennsboro Prom Night

## A Night to Remember

It was a normal school year for the most part at East Pennsboro High School and rounding the corner was prom for all seniors and juniors. This has every year been something for the students to look forward to and enjoy because it was a day that you could be around your friends and loved ones and not be at school. It happened to be on the expensive side though costing around 50\$ for one ticket per person so a total of 100\$ for one couple to attend. The students were very about this but ended up not changing much of anything before prom began.

There were many people there easily over 100 people attending this event with tons of appetizers and food for everyone to enjoy. You can see many photos from *Penn Dott*, which website that has many pictures of things that happen in Pennsylvania. It had many photos of what happened at the East Penn prom and many others for that matter. They got many people's opinion on the prom some saying *"This is the most fun I have had in long time!"* or *"It is so fun it be able to hang out with my friends and be able to have a good time with them"* This was one of East Penn's best proms despite the price being so high.

With all of that out of the way many people have called the prom a success and that was money well spent. Everyone seemed to have a really positive attitude and it made everyone's day enjoyable.
